

Introduced by Senator Figueroa

February 18, 2005

An act to amend Section 71061 of the Public Resources Code, relating to environmental protection.

LEGISLATIVE COUNSEL'S DIGEST

SB 602, as introduced, Figueroa. Standardized environmental data reports.

Existing law requires the Secretary for Environmental Protection to establish a standardized electronic format and protocol for the exchange of electronic data for the purpose of meeting environmental data reporting or other usage requirements that are imposed pursuant to specified laws and regulations.

This bill would make technical, nonsubstantive changes in those provisions.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 71061 of the Public Resources Code is
